

List of authorised service person for domestic secondary treatment systems

Due to their design, Secondary Treatment Systems (STs) and Aerated Wastewater Treatment Systems (AWTs) have service requirements under the Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulations 1974 and the Code of Practice for the Design, Manufacture, Installation and Operation of Aerobic Treatment Units (ATUs) Serving Single Dwellings. Service personnel are required to be approved as 'Authorised Persons' under the Regulations, or be their staff/subcontractors.

Enquiries about becoming an Authorised Person may be made to the Water Team on 08 9222 2000.
