# Avaya Workplace Quick Start Guide

How to install the application to your iPad

1. Click on the App Store and search for Avaya Workplace
2. Click on the Install icon
3. Type in your App Store Password, use your finger print or Face ID to download the software
4. Follow the prompts until you are asked to open the application.

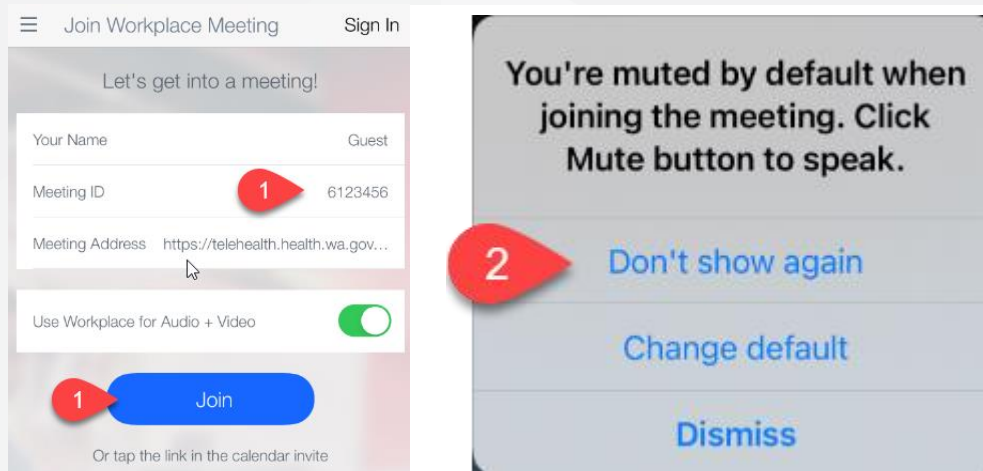

To configure your iPad

1. Open the application and Accept the terms and conditions
2. Click Join a Meeting to configure the application
3. Type your name into the Your Name field
4. Type https://telehealth.health.wa.gov.au/portal/tenants/wahealth in the Meeting Address field.

To join a meeting

1. Type in the meeting ID and Click Join to join the meeting
2. Click Don't show again when the pop up appears. You will then be placed in the meeting.
